

SMALL BUSINESSES IN NEW YORK DEMAND MORE NETWORK CHOICES.

At Empire, we know how demanding New Yorkers can be. We've been here since 1934, and we're pretty demanding too. That's why we've enhanced what we offer to give you more of what you really want. Like more access to hospitals and doctors locally and across the country.¹

Empire offers three networks to meet your demands, providing a great balance of choice, access and value.

Delivered locally.

Empire Small Group health plans include:

- 100% coverage for preventive services
- Integrated pharmacy
- Pediatric dental coverage
- Vision benefits at no extra cost — pediatric and adult vision benefits⁷
- Plus, an expanded gym reimbursement benefit

Access to New York's best doctors

- More of *New York Magazine's* Top Doctors 17 years in a row.⁸

A broad network makes care accessible.

The power of blue — recognized nationally:

- Access a broad network of hospitals and doctors through the BlueCard® program, including more than 96% of hospitals and 93% of doctors across the country.⁹

Consumer-driven health plans (CDHPs) are a way to meet their health coverage needs and lower costs:

HSA (Health Savings Account)

- Empire's health plans with an HSA put members in charge of how their health care dollars are spent. Employees have a health savings account — like a bank account — from which they can pay for health care services, prescriptions and even a portion of their gym membership. Contributions to the health savings account can come from employees, employers or a combination of both. Unused funds roll over from year to year and provide tax advantages because HSA contributions are pre-tax.

Best-in-class support for our CDHPs

We've partnered with a leading HSA administrator: BenefitWallet™, a Xerox Solution. Benefit Wallet is one of the nation's largest and most experienced HSA administrators.¹⁰

Empire Advantage

- Competitively priced plans with a variety of plan designs
- Network choices
- Broad access to care
- CDHP options

Pathway Network: BlueCard program does not apply to our HMO Small Group health plans with the Pathway network. Pathway network includes coverage under the Away From Home Care program. Away From Home Care is available when members are away for 90 days or more. If you or a covered dependent will be temporarily residing outside your service area for at least 90 days, you may qualify for the Guest Membership program. This special feature allows approved members to use the services of an affiliated Blue Cross and Blue Shield HMO plan in the area where they are staying.
